3.

4. with the card base, remove 2-1/2 " from one side. With remaining piece use two pieces of scallop die on one long edge. I used a piece of washi or post-it tape to hold in place. Cut piece down to 1-1/4 x 5-1/2. Score down long side at 5/8" . fold on score line and attach to long side of Window Sheet.
5. attach window sheet to card base on the inside of the front flap. Adhere the 1-3/4 x 5-1/2 piece of calypso coral to the inside of the card base, on the other side of the window sheet. I do this to give it stability and to hide the adhesive on the window sheet.
6. adhere the grapefruit grove and sentiment piece to the inside of the card base
7. using Versamark and stamp leaf image on card front
8. line up the flower image on the outside of your card base to cover exactly the stamped image on the inside.
9. adhere the 5 " piece of terra cotto scalloped linen ribbon using glue dots.
10. adhere faceted dots to floral images
